**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of broadband competition. My provider has been excellent , outstanding service and good affordable rates. I am afraid we will lose if we do not have the competition. I urge you to keep broadband competition, everybody benefits from this. I also have competitive telephone service, which is excellent. This is especially important for us seniors who have to count our money and get the best service for us.

Thank you.
